

Admissions Policy

Aims and objectives

We are an inclusive nursery that welcomes children from all backgrounds and abilities.

All applications will be treated on merit and in a sensitive manner.

The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we enforce a waiting list procedure and inform parents of the availability of places as soon as they arise.

Parents are required to complete a registration form and child welfare questionnaire prior to the child entering the nursery.

We expect all children who take up a place at the Nursery to remain with us until they leave us at the end of the Summer Term before commencing full time education.

The standard number is the number of children the nursery can accommodate. The standard number for our nursery is 40.
